01                    FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02            1.        Defendant has been indicted in the Eastern District of California for the  
03 above-referenced charges, Case No. CR12-0169 ED/CA. He has waived an identity hearing,  
04 and an Order of Transfer has been signed.

05            2.        Defendant does not contest detention at this time. He was not interviewed by  
06 Pretrial Services, so much of his background information is not verified or is unknown. His  
07 criminal history includes previous violations and revocation of federal supervised release.

08            3.        There does not appear to be any condition or combination of conditions that will  
09 reasonably assure the defendant's appearance at future Court hearings while addressing the  
10 danger to other persons or the community.

11 It is therefore ORDERED:

- 12        1. Defendant shall be detained pending trial and committed to the custody of the Attorney  
13        General for confinement in a correction facility separate, to the extent practicable, from  
14        persons awaiting or serving sentences or being held in custody pending appeal;
- 15        2. Defendant shall be afforded reasonable opportunity for private consultation with  
16        counsel;
- 17        3. On order of the United States or on request of an attorney for the Government, the  
18        person in charge of the corrections facility in which defendant is confined shall deliver  
19        the defendant to a United States Marshal for the purpose of an appearance in connection  
20        with a court proceeding; and
- 21        4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel
